

The international project and album series “The children are painting the world. Islamic countries” is the initiative of ISESCO and the Republic of Kazakhstan, which symbolizing the mutual respect for people of different origins, beliefs and cultures, and the peaceful coexistence of peoples and nations. The children of twenty-five countries of the Islamic world participate for the first time in this international project.

During the 1st Summit of the Organization of Islamic Cooperation (OIC) on science and technology in Astana the album “The children are painting the world. Islamic countries” will be presented. **We are inviting all participants and delegations of the Summit to visit the exhibition of children’s artworks from different Islamic countries. The Opening Ceremony will be held on 10th of September 2017 at 16:30 on the 2nd floor of the Palace of Independence.**
